## From the Editor's Desk

Dear Members,

January is already over and the nip in the air giving way to usher in the energy and colour of Spring, with Basant Panchami, Saraswati Puja, and also the Valentine's Day waiting round the corner.

The liveliness of the season with its varied colours always make us happy and joyous.

As the new samplings begin to grow after braving the harsh winter, spreading hope and happiness, our Rotary Club is working relentlessly towards the upliftment of humanity. Our new endeavor for February is to spread awareness about the World Cancer Day to prevent millions of deaths, a campaign to commit to strengthen actions aimed to reduce the impact of cancer.

On this positive note wish you all  
Happy Basant Panchami  
Dr Chitra Sen

## From the President's Desk

We have stepped into New Calender Year 2022. We pledge to do better service to mankind in 2022. We are glad to inform that we have crossed 50 Members in our club for the first time. In the social projects sector, we are relaunching our Project Aahar ( An Initiative to feed the poor ), which is being sponsored by Rtn Neeraj Kejriwal. It is to be conducted once every month. We have also launched a Webinar Series, under our Project Impact. Training Sessions to be conducted every Friday Evening, 8 to 9 PM. Also we intend to setup Free Computer Training Centres at different parts of rural bengal, for which we look forward for support from different Rotarians. Also we would like to work extensively in the area of Basic Literacy and Financial Literacy and Women Empowerment in the coming days.

All The Best
