From the Editor's Desk

Dear Rotarians,

We are almost towards the end of this calendar year. The year has seen highs and lows, and we have grown together as a unit. I feel extremely privileged and proud to be a part of this family. The month of November touched upon glaring issues like Elimination of violence against women and girl children, Cancer Awareness and also skill development and engagement for the elderly. These are meaningful initiatives that had been taken by our club, and we are overwhelmed with the love and support that we have been receiving, it keeps us going and growing. We have been really busy with the setting of the Operation Theatre at Joynagar Hospital, it is our biggest fundraising event for the year and we look forward to your support, love and contribution to make it a success.

The month of December, being known as the month of fun and frolic, we look forward to cherish memories together and spread happiness and love. We shall welcome 2023 with a new set of promises and dreams, to eradicate pain and sufferings.

Stay safe and take care!!

Enjoy the winter season, wishing our dear readers and members a Merry Christmas and a Happy New Year in advance!!
